

OUR FIRST RELEASE OF 2012 SHOULDN'T HAVE THIS MUCH SOUND FROM JUST TWO PEOPLE

FOR IMMEDIATE RELEASE
FEBURARY 16th, 2012

ARTIST: Sit Kitty Sit
ALBUM: "Beautiful / Terrible"
Gun Horse Records

Sounds Like:

Dresden Dolls mixed with Florence + Machine, Tori Amos, & Ben Folds Five: A pop-proggy-piano/drum-classical rock duo.

Why you should listen:

Sit Kitty Sit's (SKS) new album "**Beautiful / Terrible**" has way too much volume for just two classically trained musicians, yet it offers just the perfect amount of sound for this unique piano/drum duo. Additionally, it is the first release from Gun Horse Records in 2012.

The new album is the second record from this San Francisco based piano & drum duo. In 2010 Kat Downs (piano/vocals) and Mike Thompson (drums) teamed up to experiment with the combination of classical piano and rock drumming and created their first EP, "The Push" They also developed a great live show. With their new material, the band enhanced their unique live sound and the result is the new album.

Regarding recent press, a previous track from their first album, "Purge" was selected for Music Hype's Track of the Week:

"Stripped to its bare essentials; some classy piano leads render a kooky-ish slice of pop music, complimented by some fantastic vocal melodicism from the Bay Area's Sit Kitty Sit"

SKS are playing the bay area scene, which, the highlights include; A recent record release party at the Bottom of the Hill in SF. Dates in Austin, TX, March 14th-16th, alongside SXSW. Also, the band will play the inaugural Bask Festival in Sonoma County on Sat July 21st. In addition, a mini west coast tour is currently being scheduled.
